SOUTH AUSTRALIAN GOVERNMENT FINANCING AUTHORITY BONDS

INFORMATION FOR APPLICANTS

WHAT IS SAFA?

SAFA has become the popular abbreviation for the South Australian Government Financing Authority. One of SAFA's main functions is to act as a central borrowing agency for South Australia's semi government authorities, but it also has a broader role of assisting the South Australian Government with the general coordination of the State public sector's fundraising, cash management and investment activities.

Funds raised by SAFA are on-lent to a variety of authorities and the State Government itself to assist with the financing of a wide range of worthwhile activities and projects in areas such as housing, transport, education, health, primary production, fire protection, arts and recreation.

Your investment will be helping to build a better South Australia and this, of course, has benefits for the whole nation.

WHAT IS THE PURPOSE OF SAFA BONDS?

SAFA has designed this investment to meet the requirements of a 'Designated Investment' under the Significant Investor visa (sub-class 188) of the Business Skills program administered by the Commonwealth Department of Immigration and Border Protection.

These Bonds have been specified by the Minister for Immigration and Border Protection as Designated Investment for the purpose of the Significant Investor visa (sub-class 188) program.

WHAT ARE SAFA BONDS?

SAFA Bonds take the form of Inscribed Stock. This means that your name will be 'inscribed' in SAFA's central stock (or securities) register as the holder of specific SAFA Bonds, and all subsequent transactions relating to the Bonds, including any change of ownership, will be recorded on that register.

These arrangements eliminate the need to issue a security to you that needs to be kept in a safe place to avoid theft, loss, etc. Instead, a (non-negotiable) SAFA Bonds Certificate of Inscription will be issued to you, which confirms your ownership of the Bonds and other details of your investment. Inscribed stock is commonly used in money markets because of the security aspects and its ease of transfer.

ARE SAFA BONDS SECURE?

Yes. Payment of interest and repayment of principal on the Bonds is unconditionally guaranteed by the Government of South Australia.

WHAT ARE THE INVESTMENT AMOUNTS?

The investment amount choices have been determined by Immigration SA and details may be obtained from their website www.migration.sa.gov.au or by contacting Phillip Grifoni on (618) 8303 2924.

SAFA will accept investments of A\$1.0million (minimum), A1.5million, A\$2million, A\$2.5million, A\$3million, A\$3.5million, A\$4million, A\$4.5million and A\$5million.

ARE THERE ANY FEES?

SAFA charges no up-front investment fees or ongoing management or account keeping fees. The amount you invest is the amount you earn interest on, and is returned to you at the maturity of your investment.

Any fees incurred as a result of transferring funds must be paid by the investor.

HOW DO I OBTAIN DETAILS OF THE TERMS AND INTEREST RATES AVAILABLE?

The term of the investment may be 1 year, 2 years, 3 years or 4 years. SAFA will set the maturity date as

the 22nd day of the month falling 1 year, 2 years, 3 years or 4 years after your investment date.

Indicative interest rates will be updated by SAFA regularly and are displayed on our website www.safa.sa.gov.au under the heading 'Migration Bonds' or you may obtain an indication of interest rates from SAFA on (+618) 8429 0377.

Your interest rate will be set as at the date your investment is banked by our Registry and will remain fixed for the life of your investment.

Each subscription must be paid in full when the application is made together with the provision of such other information as SAFA may require to satisfy itself that there has been compliance with the terms and conditions hereof, otherwise applications will not be accepted. SAFA reserves the right to reject any application for the issue of SAFA Bonds in whole or in part and any unapplied subscription moneys will be refunded. No interest will accrue on such refunded amounts.

SUBSCRIPTION TERMS

Interest accrues on your investment from the day that it is banked by our Registry until the maturity date.

Interest is paid on the 22nd of the month, 6 months after your investment is made and every 6 months until the maturity date. (Example: If you invest on the 27th January then your first interest payment will be made on 22nd August for 6 months and 26 days and the subsequent interest payments will be on the 22nd February and 22nd August until maturity).

If the day on which interest is paid is not a business day in Sydney or Adelaide, the interest will be paid on the next business day but without any adjustment to the calculation of the interest. Similarly if the maturity date is not a business day in Sydney or Adelaide the principal payment will be made on the next business day without any adjustment to the calculation of interest.

HOW IS INTEREST AND PRINCIPAL PAID?

Your payments will be credited directly to your Australian dollar Bank, Building Society or Credit Union account. If you do not have an Australian dollar Bank, Building Society or Credit Union account set up when applying for the investment then you should make arrangements to open one as soon as possible but certainly before any payments are due to be made. If we have not been advised by the time of an interest payment and /or the principal payment then the money will be held until such time as an account is opened. No interest will accrue on these funds held in suspense.

WHAT ARE THE CONDITIONS FOR TRANSFER OR EARLY REDEMPTION?

The Minister for Immigration and Border Protection has set a requirement of this Designated Investment that it cannot be transferred to another holder nor sold back to SAFA prior to its maturity.

WHAT DO I NEED TO KNOW ABOUT INTEREST WITHHOLDING TAX?

The Australian Taxation Office has advised that income earned in Australia by a non-resident is subject to 10 per cent withholding tax, which will be deducted automatically by SAFA from interest earned on your investment.

WHAT DO I NEED TO KNOW ABOUT TAX FILE NUMBERS?

Once you are resident in Australia, Tax File Number ('TFN') legislation applies to you and authorises investment bodies to record TFN's or exemption details provided by their investors. It is not compulsory for investors to quote their TFN, however tax will be taken from those interest payments for which a TFN or exemption has not been quoted at the highest marginal tax rate.

For joint investments, if there are more than two holders, TFN details of at least two holders are required. Details of those who have TFN's should be quoted in preference to those who claim exemption. In the case of two investors only, both must quote TFN's.

Collection of TFN information is authorised and its use and disclosure is strictly regulated by the tax laws and the Government of South Australia's Information Privacy Principles. For more information about the use of TFN and exemptions please read the booklet, 'Tax Rules for Savings Accounts and Investments,' available from any Australian Tax Office (ATO).

CHANGE OF DETAILS

You must advise the Registry in writing of a change of address or account details for payments. The Registry must receive this advice at least 15 days prior to an interest payment date and maturity date. This is important in order to ensure you receive your payments, as we pay interest and principal to the account last nominated to the Registry.

A change of details form can be obtained on our website www.safa.sa.gov.au. The form should be completed and signed by the original applicant/s and forwarded to our Registry to arrive at least 15 days prior to an interest or principal payment.

CHANGES TO TERMS AND CONDITIONS

SAFA may, without your consent, change the terms and conditions of this Information Paper (including the Application Form and Terms and Conditions) at any time at its sole and unfettered discretion, provided that such changes are not inconsistent with the requirements of the Minister for Immigration and Border Protection for Designated Investments. Changes will be notified through SAFA or the Registry and will only apply in relation to SAFA Bonds issued on or after the effective date of the changes.
